

EFFECTIVE OCTOBER 1, 2026 · ALL ASRA REFEREES

Discriminatory & harmful language policy

OUR STANDARD

We **NEVER** ignore it if we hear it.
We **NEVER** ignore an allegation.

Covers words, gestures or chants aimed at race, color, ethnicity, national origin, religion, sex, sexual orientation, gender identity or disability, by anyone at the match.

Heard it

Red card, every time

Heard or seen by any match official.
Zero tolerance.

- 1 Send the offender off.
- 2 Tell that team's coach why.
- 3 Restart play.
- 4 Report it.

Any crew member counts: referee, AR or 4th official.

Told about it

Follow all 8 steps

- 1 Stop play at the next safe moment, or don't restart if the ball is out.
- 2 Listen and acknowledge. Get the exact words, who, and when.
- 3 Walk to midfield with the person reporting it. Send both teams to their benches.
- 4 Ask your crew if anyone heard it. **If yes, red card.**
- 5 **No one heard it: no card.** Even if the player admits it.
- 6 Meet **both coaches together** at midfield. Tell them:
 - what was alleged
 - no one on the crew heard it, so no sanction can be given
 - we take it very seriously, and it will be reported
 - further allegations may lead to abandonment
- 7 Coaches talk to their teams (1-2 minutes).
- 8 Restart (dropped ball or the original restart). Report it.
